

KIDS HELPING KIDS
Candlelight Night™

in the
Bag

How many pages or books can you read by candlelight at night (*with adult supervision!*) for a gold coin donation per page or book. You could do this over several nights if you wanted to increase your contribution. The money you raise will go directly toward buying solar lamps for children overseas who must study by the light of candles or dangerous kerosene lamps.

My name		Name of school	
Address of school			
Email:		Your age:	
Date	Number of books/pages	Gold coin donaton per book/page	Total

Tell your story

create-care-global.org/inthebagkit

What did it make you feel reading by candlelight? Were your eyes tired? Did they ache? Can you imagine having to study for hours by such a dim light? Tell your story, take a photo, do a drawing, or write a poem to inspire other children like you to get involved and help kids across the world to study by a brighter light. Please share your stories with us at info@createcareglobal.org, so we can share them on Instagram and Facebook to start a ripple, that will make a wave and then a huge difference in the lives of other children.

CreateCare Global Registered Incorporated Association Number: A00535915

Once you have collected your gold coins, as a parent take them to your supervising teacher or co-ordinator at your school and send them to CreateCare Global. The money will go directly to HUG (Help us Grow) to fund the In the Bag Project. You can find all the details of the project here: www.create-care-global.org/inthebagkit

KIDS HELPING KIDS
Footsteps for water™

How many footsteps can you take carrying a full to the brim cup of water? Ask your friends and family to guess and sponsor you per footstep and help children overseas get a water bottle.

create-care-global.org/inthebagkit

What did it make you feel carrying your full cup of water without drinking any of it? Did your hand ache? Can you imagine having to walk long distances in the hot weather and not having anything to drink? Think what it is like to be thirsty. Tell your story, take a photo, do a drawing, or write a poem to inspire other children like you to get involved and help kids across the world to get a water bottle. Please share your stories with us at info@createcareglobal.org, so we can share them on Instagram and Facebook and start a ripple, that will make a wave and then a huge difference in the lives of other children.

KIDS HELPING KIDS
Books in Arms™

in the
Bag

How many laps of your school oval can you walk carrying your school books. Ask your friends and family to sponsor you per lap and help children overseas get a school bag.

My name		Name of school
